

Ask These Questions Before Choosing A Realtor®

Are you planning on purchasing a home? Asking the right questions can help you decide which Realtor® might be right for you.

1. How many years have you been a Realtor in the Charlotte area?
2. What is your standing within your company?
3. How many buyers did you represent last year and the year before?
4. What makes you different from approximately 7,000 other agents in the area?
5. What is your area of expertise?
6. Other than selling properties and attending the State mandated classes, what are you currently doing to further your knowledge of the real estate business?
7. What do you as a business person do to give back to the community?
8. Do you work as a full-time agent, or a part-time agent?
